They indicated there was difficulty in getting 15 nations always to agree and suggested that the comparatively recent agreement of West Germany, England and the United States to in the future advise other members in advance of any

important action, would have a beneficial result.

JOHN McGOWN, international staff representative, gave it as his opinion that the mere existence of the international agreements were "good ports of the future."

Zodys to Open New Store In Long Beach Thursday

Southern California's newest discount store opens its doors in Long Beach Thursday, Aug. 10, when Zodys officials, civic dignitaries and motion picture and television personalities participate in Grand Opening ceremonies at 10 a.m.

The Long Beach Zodys, located at the Los Coyotes diagonal at Woodruff and Spring, will be completely self-service, according to Richard H. Wolfe, vice president of the rapidly growing discount department store chain.

WOLFE reported that the Long Beach location is the third to be opened by Zodys in the Southland since June of 1960. He said that another 33 units will be added in the future, bringing the total to 36 for the entire Zodys network.

Like the other Zodys (Redondo Beach and Garden

Grove), the Long Beach store features both high quality fashions and home furnishings merchandise.

Mayors and city officials from neighboring communities will join Zodys executives for the traditional ribbon-cutting, along with Miss Lakewood (Gail Cason) and Bill Welsh, popular KTTV star and master of ceremonies from the International Beauty Pageant.

THE NEW Zodys has some 60 separate self-service departments and is air conditioned throughout. It contains over 76,000 square feet of floor space as well as parking for over 1000 cars.

Free gifts for everyone, merchandise prizes, personal appearances by children's television personalities and special exhibits are among the many attractions planned for the Grand Opening Sale celebration.

"Unlike some discount department store operations, Zodys will maintain an 'open door' policy," Wolfe remarked.

"THERE ARE no restrictions, no membership cards, no qualifications. We are offering the public a complete line of merchandise at the lowest possible discount prices consistent with quality," he added.

"We intend to be competitive in price and variety and will not knowingly be undersold," he said.

"Self-service means lower overhead with the savings passed on to the customer in the form of discount prices on merchandise," he reported.

TOP NAME brands, lowest prices and quality merchandise are guaranteed in the large appliance department at the Long Beach Zodys. The line includes television sets, radio phonographs, stereos, refrigerators, washers, dryers, gas and electric ranges, garbage disposals and air conditioners.

Such name brands as RCA-Victor, Packard-Bell, Norge, General Electric, O'Keefe & Merrett, Emerson, Zenith, and many others are among those featured at Zodys.
